About Seminar: *Azadi ka Amrit Mahotsav* is an initiative of the Government of India to celebrate and commemorate 75 years of progressive India and the glorious history of its people, culture and achievements. The contribution of our seers and sages in the national movement has been generally overlooked. Through this seminar we wish to highlight the contribution of such great selfless personalities. By doing this we try to preserve the glories and inspiring heritage of our national movement. While the country is celebrating the Mahotsav, we are exploring and highlighting different dimensions of our multi - faceted struggle to invigorate the spirit of our country. Sages and seers of our country have played pivotal role in molding the personality of the country in showing ways to overcome the burden and humiliation we faced during long years of political slavery.
