Subject: Monthly Submission of Departmental Information/ Activities to IQAC for Contents for IQAC Newsletter via Google Form

Dear Sir/Madam,

As part of our ongoing efforts to showcase the achievements, events, and initiatives of each department, the Internal Quality Assurance Cell (IQAC) is publishing a *Monthly Newsletter - PERSPECTIVE*. You are requested to take an extra effort to contribute information every month. IQAC has designed a Google Form to collect relevant content from each PG department on a regular basis, which will be featured in the IQAC monthly newsletter.

We request all departments to complete the form with required information at the end of every month. This will ensure that the accomplishments of your department are accurately and effectively communicated to the wider university community and beyond.

The same Google Form link will be consistently used for all submissions and will be available on the Ranchi University website under the IQAC menu. Kindly ensure that the form is filled up by 25th of each month to allow sufficient time for compilation and publication of the newsletter.

Your cooperation is crucial in making our newsletter a comprehensive reflection of the vibrant academic and research environment at Ranchi University.

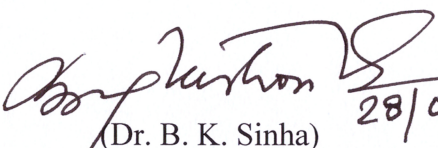

For your convenience, here is the link to the Google Form: <https://forms.gle/CA3hwwSSCtuMT82a6> and QR Code scanner for the link.

Thank you for your continued support.
