

राँची विश्वविद्यालय RANCHI UNIVERSITY

7.1.9: Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The constitutional provisions related to education in India reflect the nation's ideals and democratic principles of our country. These constitutional provisions play a crucial role in shaping educational policies and practices in India, aligning with our social, economic, cultural and political context. Sensitisation of students and employees of any educational institution towards these constitutional obligations is of utmost importance.

Ranchi University is actively involved in nurturing a sense of constitutional obligations among its students and employees, emphasising core values, rights, civic duties and responsibilities as a citizen of this country. The institution organises various events, including Independence Day, Republic Day and Constitution Day to foster patriotism and underscore the constitutional principles of liberty, equality, justice and fraternity. Every year on 26th November **Samvidhan Diwas** is celebrated with students and faculty members taking oath of the preamble and students participating in various literary events of Constitutional Rights.

In addition to national celebrations, Ranchi University also hosts Blood Donation Camps, Women's Day events, and observes World Environment Day and Swachh Bharat Abhiyan, showcasing its commitment to societal welfare, gender equality, and environmental sustainability.

Participating in AZAADI KA AMRIT MAHOTSAV, Ranchi University addresses contemporary challenges by promoting COVID-appropriate behaviour and acknowledging the contributions of Indian scientists in nation-building. This comprehensive approach underscores the institution's dedication to holistic education, encompassing not only academic learning but also the cultivation of socially responsible and environmentally conscious individuals.

Oikash

Ranchi University's initiatives exemplify a commendable commitment to shaping responsible citizens who grasp the importance of constitutional values and actively contribute for the betterment of society.

Details of activities that inculcate values necessary to nurture students to become responsible citizens:
