Dear Kumari Vandana Jee,

1. I, on behalf of my instructional team and the NCC Cadets of 44 Jharkhand Bn NCC, Daltonganj, complement you for the excellent lecture-cum-demonstration given by you on '**General Health Awareness and Preventive Measures**', during NCC Combined Annual Training Camp Serial No 8, held at Bariatu Road, Ranchi on 7th Jul 2013.

2. The lecture- cum- demonstration was very educative and all the NCC Cadets took keen interest in it. Furthermore, we also deeply appreciate the hard work put in by you and Dr. Sudhanshu in securing samples of a number of medicinal plants and herbs from heavily forested areas and explaining their features and characteristics to the cadets, for their knowledge and benefit.

3. We look forward to seek your expertise in future NCC Camps also.

With warm regards,

Yours sincerely,
